Crime Reduction Activities

Collaboration and Information Sharing

- Tour with Victoria Police (Australia):** D/ Commr. Zablocki, A/Commr. Ferguson and Supt. Peter Tewfik hosted Insp. Goldspink from the Australian Victoria Police with Alberta's Justice Solicitor General to discuss Alberta RCMP's Crime Reduction Strategy and to share best practices between the policing agencies. Insp. Goldspink also spent a day with Sgt. Lande, CAD CRU Lead to experience how CRU Units operate on the ground.
- Meeting with Safer Communities and Neighbourhoods (SCAN):** Crime Reduction Unit Leads held a meeting with Insp. Mike Letourneau to discuss SCAN's mandate and processes. During the meeting, Insp. LeTourneau and CRU Leads identified opportunities for collaboration, particularly in areas that will advance investigations with shared objectives. SCAN is a unit of the Alberta Sheriffs that helps keep communities safe by dealing with problem properties that are being used for specific illegal activity.
- Crime Map Portal Launched:** The Project Lock Up Crime Map portal identifying places repeatedly victimized by property crime was launched in early February. Access to the portal is shared with Alberta's enforcement agencies and citizen-led crime prevention groups to help guide patrols and facilitate collaboration.

Community Engagement

Secure-it-or-Lose-it Campaign: Members of the Lloydminster RCMP Detachment with Lloydminster Citizens on Patrol were on hand in late January to install anti-theft screws on approximately 300 vehicles from the Lloydminster and surrounding area. "It was a huge success," according to Const. Alex Smith who spearheaded the event. "It's great to see so many people who want to help the police with preventing crime."

Mochas with Mounties: Airdrie RCMP hosted its first Mochas with Mounties community engagement session on February 28th. During the well-attended event, members covered a variety of different topics including how to protect property, ways to deal with neighbourhood disputes, traffic related concerns and RCMP recruiting questions. And one lucky kid got a tour of the police car!

Rural Crime Watch Annual General Meeting: On February 2nd, Peter Tewfik, Officer in Charge, Crime Reduction Strategies, attended the Alberta Rural Crime Watch Annual General Meeting and delivered a talk on Alberta RCMP's Crime Reduction Strategy and the RCMP's partnership with Rural Crime Watch.

Crime Prevention Workshops: On February 25th, Jennifer Kee, Community Engagement and Outreach Specialist, conducted a Crime Prevention Through Environmental Design (CPTED) workshop at the Smoky Lake Rural Crime Watch Annual General Meeting. She also met with several Rural Crime Watch chapters to talk about crime prevention strategies and what the chapters can do to support public safety in their communities. Jennifer delivered a presentation at the Andrew Rural Crime Watch Annual General Meeting on February 13th.

Farm Tech Conference: Supt. Peter Tewfik delivered two one-hour presentations at the 20th Annual FarmTech Conference at the end of January to discuss Alberta RCMP's policing approach in rural communities. The FarmTech Conference is one of Canada's largest crop production and farm management conference with over 2,000 participants attending each year.

Project Lock Up Follow-up: As part of Project Lock Up, the Call Back Unit has begun connecting with property owners who have been repeatedly victimized by property crime to discuss simple crime prevention steps they can take to avoid being targeted again. Initial reaction from the property owners has been very positive, thus far.

Fraud Prevention Month: In support of Fraud Prevention Month, RCMP members and Monty the Safety Bear were in West Edmonton Mall on March 2nd, to provide some fraud prevention tips and, in coordination with the Electronic Recycling Association, shred hard drives and other electronic devices. Members also took part in a Southern Alberta event in Balzac on the same day.

Call Management Initiatives

Call Back Unit Call Types

From February 15, 2018 to February 28, 2019, the Call Back Unit diverted and answered 5,373 calls for service rather than dispatching to front line members. This allowed for an estimated **13,513** hours to front line members to engage with the community and respond to calls for service, equaling over eleven General Duty Constable's workload in a year.

Crime Reduction Unit Operations

February 7 – SAD CRU, Airdrie – Gathered Intelligence Leads to Arrest of Fraudster

Based on gathered intelligence, the Southern Alberta District Crime Reduction Unit (SAD CRU), in coordination with Airdrie RCMP, initiated a surveillance operation on a suspect believed to have purchased furniture and vehicles using forged documents. During the operation, members gathered enough intelligence to obtain and execute a search warrant. The suspect, a female, age 39, was arrested and is facing a total of 14 charges related to fraud and forgery.

February 13 – CAD CRU, Air Services, Police Dog Services – Hot Spot Patrols and Strong Coordination Results in Arrests, Stolen Vehicle

While on proactive patrols of known hot spots, the Central Alberta District Crime Reduction Unit (CAD CRU) located a suspicious vehicle they later confirmed to be stolen. CAD CRU initiated covert surveillance until a suspect known to members entered the vehicle and drove off. Once the vehicle was mobile, Air Services was requested to enable members to maintain surveillance at a distance and deploy a tire deflation device. The vehicle was disabled successfully and the suspects fled on foot where CAD CRU, with the support of Police Dog Services, found them hiding in a residential outbuilding. Members continued the investigation and was able to link the driver and the passenger to at least eight property crime and persons crime offenses over the last three weeks. The suspects are facing a total of 36 charges related to these offences.

February 15 – EAD CRU, St. Paul RCMP – Strong Coordination Lead to Four Arrests After Pursuit

While on proactive patrols, the Eastern Alberta District Crime Reduction Unit (EAD CRU) and St. Paul RCMP, became involved in a pursuit with a vehicle that fled at high speed in which firearms were thrown from the vehicle. The pursuit ended safely with all four occupants arrested. Ammunition was recovered inside the vehicle and a prohibited firearm that was discarded during the pursuit was located in a ditch nearby. All four suspects are facing multiple weapons charges related to the incident.

February 19 – CAD CRU, Morinville RCMP – Car Thief Nabbed by CAD CRU and Bait Vehicles

In response to a business being targeted multiple times over a short period, CAD CRU, in coordination with Morinville RCMP, deployed bait vehicles in the area. The bait vehicles were successfully stolen and CAD CRU initiated surveillance and followed the vehicle to a residence in Edmonton where the suspect was arrested.

February 19 – CAD CRU, Rocky Mountain House – Hot spot patrols lead to arrests

While on proactive patrols of known hot spots, CAD CRU located a vehicle with unmatched plates. Members approached the vehicle and confirmed the driver was wanted on multiple warrants out of Strathcona and Rocky Mountain House detachments. The suspect was arrested on charges related to his outstanding warrants. On a separate patrol of a known hot spot, CAD CRU, in partnership with Rocky Mountain House RCMP, initiated a traffic stop. During the traffic stop, members discovered and seized several pieces of stolen identification and counterfeit money and was arrested and charged accordingly.
