In memorium:

ACOPA is saddened to announce that Bob Phillips passed away in January 2019. Bob was an RCMP Officer before he joined the ACOPA Board in September of 2004 as South Vice President. Bob remained on the ACOPA board for many years. Bob was a dedicated member of Citizen On Patrol. He started the C.O.P. group in Turner Valley. He was a strong supporter of ACOPA even after he was no longer on the Board. Each year, Bob arranged for a \$500 donation to ACOPA from his local Lions Club. Bob attended every Workshop up to 2018. ACOPA is thankful for the work that Bob did and his dedication to making the C.O.P. program grow in Alberta.

A message from our President...

Just a short note to remind everyone that the 2019 Workshop and AGM is approaching fast and all the information is on the website.

The Agenda, room rates and registration fee is all there - just print it off and send it in to Drumheller. As you can tell from this newsletter there are a lot of thing to see and do in Drumheller.

We have Bob Gollan doing training on Friday afternoon and on Sunday morning. So if you have not taken this yet this is a perfect chance. Also there will be great speakers at the Workshop, they will have a lot of information to pass along to everyone.

A reminder to send in the name of your nomination for the ACOPA Liaison Officer Award for this past year. This must be sent to me by August 15th.

Please send me the names of your members that have completed 5,10,15, or 20 years as members of C.O.P. I will forward names to K Division for a Volunteer Appreciation Certificate to be given to the members that reach these milestones. These names also have to be sent to me by August 15th.

Hope to see you all at the Workshop and AGM on September 20,21 and 22nd.

News from North Gull Lake COP:

May brought the annual garage sale to Gull Lake, put on by the North Gull Lake COP. This is a major fundraiser for this group, and is always attended very well. Check out some of the pictures of the great day!

Looks like it was a terrific day!!

News from Athabasca COP:

The Athabasca trade fair is an annual event that had around fifteen hundred people attending this year. It was really beneficial for us to be there as it has kept us in the forefront of people’s minds. They know we are trying to do something to help the community.

Being that the municipal governments were there as well it helped us raise our profile with them and led to some good discussions that might have otherwise not of happened.

We also got some people interested in coming out to a meeting and they will possibly join COP. Some people took applications as well. All in all it was time well spent. Also a special thanks to you for being there and helping.

ACOPA BOARD 2018-19

Thank you, to this group of people who will be spending numerous hours making sure our Citizens on Patrol groups can operate!

News from High River:

We took part in our first Lock It or Lose It campaign! Yay us! It was a lot of fun, and a great eye opener for all of us.

We blitzed our local Recreation Complex parking lot during a ball tournament and a lacrosse tournament. We are so pleased to say that everyone had a very good sense of security!

Also, we again helped out with some crowd control and Lost Kids department at our annual Little Britches Parade on the May long weekend. It was cold, rainy and I think perhaps even a few snow flakes came out. But, because it's an amazing annual event, the diehards still were there!

Looking forward to seeing many of you in Drumheller!

High River COP was also very grateful to be able to donate to many of our social agencies and service groups in our community that help so many!

Reminders:

- Get your COP volunteers names into Garth for their 5, 10, 15, 20 year certificates (as of April 30). Forms were in your emails.
- Do you have a Liaison Officer who has gone above and beyond the expectations of the C.O.P. program? ACOPA would like to recognize a special Liaison Officer at the Workshop in September. Deadline for applications is August 15th. Application form can be found on the ACOPA website

Are you ready for AGM 2019????

AN INVITATION TO ALL ACOPA MEMBERS

It is my personal pleasure to invite all ACOPA members to the 2019 ACOPA AGM & Workshop.

Drumheller is proud to host this event and all COP members in Drumheller, along with the Town's residents, look forward to hosting you from September 20-22nd.

In these challenging economic times in our province, the 2019 ACOPA AGM & workshop will showcase a number of key speakers and presentations on crime prevention. All delegates will have a major opportunity to network with one another and to exchange ideas on best practices.

As well, we in Drumheller, are ensuring that you have a first-hand chance to experience the Dinosaur Valley. We offer you unique things to see and do that you will not find anywhere else. Visit the world-renowned Tyrrell Museum, the Hoo-Doos, the Little Church or go to national historic sites dating back to the coal mining days in the Valley. And, you can raise your spirits with a ghost tour through the town or relax at the end of the day with a leisurely horse and buggy ride. Whatever you choose, you will certainly be treated to some of the best hospitality in the province.

Details on the 2019 ACOPA AGM& workshop are available on the ACOPA website along with the registration form and a list of available accommodations in Drumheller. Please do take the opportunity to attend this meeting and workshop and to visit with us in the Valley. We look forward to seeing you soon.
